

# What is new?

1

## We organise the export customs clearance for you

In the spirit of convenience and in order to provide you with the best service, INTEGRA Metering has optimised its export processes and now organises all export clearances on your behalf. Please note that you are still in charge of the import customs clearance.

2

## New hub address to pick-up your INTEGRA Metering order:

**SCS TRANSPORTS** 

185, rue de l'Ormière  
31380 Garidech  
France

+33 5 61 37 18 81

Mr. Yann Bouchareb  
yann.bouchareb@scstransports.fr

# Summary

## DAY 1

Goods are ready and packaged; The logistics hub is informed of the number of pallets to be picked up from INTEGRA Metering factory.

## DAY 2

All 3 legal documents are ready.

## DAY 3

Our logistics partner picks up the pallets to store them in its hub located 29 km away from our INTEGRA Metering factory.

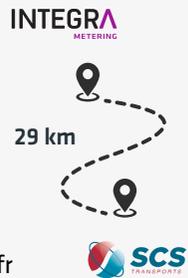

→ We offer 15 days free storage.

**Your new pick-up address:**

SCS TRANSPORTS  
185, rue de l'Ormière  
31380 Garidech  
France

**Your contact person:**

Mr. Yann Bouchareb  
yann.bouchareb@scstransports.fr  
+33 5 61 37 18 81

# IMPORTANT!

No specific modification or alteration will be made on documents or packaging.

Only customisation of pallets or similar requests - 'palletising' - mentioned on the first order will be accepted.

INTEGRA Metering covers the storage fees for 15 days from the date of sending the documents.

After 15 days of sending the documents, additional storage fees will be charged to the customer (for more details, please refer to the INTEGRA Metering GTC).

DSV, our customs clearance partner, will ask your freight forwarder to provide the following transport details before the export clearance is processed on behalf of INTEGRA Metering:

- Date of pick up
- Customs office

Your contact at **DSV** :  
fr.impair.tls@fr.dsv.com

Please share this explanatory leaflet with your contacts.

INTEGRA Metering provides assistance and works with the following contractors:

### ATTENTION:

INTEGRA Metering goods are subject to the Declaration of Dangerous Goods due to the lithium batteries included in the meters. Therefore, the following contractors' express services are not entitled to handle our products:
